Experience

ELECTRIC ADVERTISING

Senior UX/UI Designer

2021 - Present

I currently lead the UX/UI discipline at Electric Advertising, overseeing the end-to-end process, strategy, and execution of both high-touch marketing and product experiences.

GOKART LABS / WEST MONROE PARTNERS

Senior Product Designer

2018 - 2021

Led and participated in product strategy and design processes to create solutions for clients both large and small.

THE BIG KNOW

UX/UI Designer

2015 - 2018

Functioned as a UI/UX designer on the product team, contributing to both consumer-facing and administrative systems of The Big Know product and platform.
